After Break at June 11 Meeting

- This demonstration will be coordinated with two workshops. Details at meeting.
- See how it is done and work on your own tree. BYOT – Bring your own tools.
- Leo has purchased 16 trees so you can ‘see’ a tree being worked on and work on your own tree and ask questions of society sensei at the later workshops.
- Buy a tree and have two workshop lessons for \$25.00. Bring cash, and sign up at the June meeting. You will start working on your trees at the workshops.
- If you bring your own tools, buy your tree and want to work on your tree independently without help at the meeting, you can. Help from sensei will be at the workshops.

THINKING — SEPTEMBER 13, 2022

The secret philosophy of cultivating a bonsai tree

To be successful at bonsai cultivation, you must acquire the perseverance and unconditional kindness normally reserved for devout monks.
