- Janet Weidel [newsletter editor] was unable to attend. Because of the Camp fire, Janet is unable to resume composing the Newsletter for the next month or so.
- Chuck Coate [our 2018 president] is on a bonsai sabbatical for the next year. He will be attending meetings when time permits. We hope he takes good notes to pass on to our members when he comes to visit us in 2019 and beyond.
- Leo Martinez [treasurer and secretary] was unable to attend Sunday’s meeting

**New Visitors:** Our society welcomed three new visitors. We look forward to seeing Ryan, Tommy and Stephen at future meetings and invite them to become new members.

**Meeting Venue:** The Camp Fire has been a disruption to our regularly planned program and our membership. Previously planned demonstrations have been put on hold for the time being.

**Invitation for new society officers:** Our society has flourished because of the support from our members who step forward to help us move forward. Our officer elections are scheduled for the February 10<sup>th</sup> meeting. The invitation is open to all members.

**Big Call out to Bob Nottelman !!!** After the meeting Bob gave a demonstration at his residence to 5-6 members on his method of bonsai over rock. Thanks Bob.

Bob would like anyone who took pictures to send some copies: [nottelman@hotmail.com](mailto:nottelman@hotmail.com)

As time allows Bob may also give a demonstration at our March meeting. More information on this will be forthcoming.

**Members Directory:** A ‘volunteer only’ CBS members directory is being developed. It will include members name, phone and email. By default, no CBS member will be included on the directory unless a request is made. A sign-up sheet will be provided at our monthly meetings if anyone would like to be included.

**Next meeting:** Feburary 10, 2019 @ 10:30 Chico Branch Library on 1108 Sherman Ave.
