

# CHICO BONSAI SOCIETY

## Meeting Venue

February 10<sup>th</sup>, 2019  
Chico Library - 10:30 am

### Meeting Agenda

- **Election of new society officers:** Our society has flourished because of the support from our members who step forward to help us move forward. The invitation is open to all members.
- **Discussion:**
  - The 2019 society show and
  - Tentative 2019 society events
  - Input from members
- **Society Finances:** Leo will review society financial status from 2018 and the 2019 budget.
- **Member Sharing:**
  - Bring plant material in need of evaluation and treatment from our experienced members.
  - Share/show plant material or anything that may be of interest (e.g., soil, fertilizer, pots, pest control methods) to fellow society members.
  - General Q and A discussion
- **Monthly Raffle:** Excellent way to obtain a 'potpourri' of plant material, bonsai books/magazine material, pots ... and miscellaneous bonsai items. Don't forget to bring your cash or end up disappointed when someone else walks off with a must have item you need from the raffle table.

### Camp Fire

- Kirk Demarest is spearheading an effort to find our society members or anyone involved in bonsai whose bonsai collections were affected by the Camp Fire. He would like to network with our society members to locate anyone who was impacted. For those of our society who would like to help out with donations (plant material, \$\$\$ or otherwise) Kirk is planning to attend this Sundays meeting to discuss how this can be accomplished or you can reach him at: [kirk6363@comcast.net](mailto:kirk6363@comcast.net) or 530-680-8528.

### Member News

- Kirk Demarest is a 2019 Trustee for the Golden State Bonsai Federation. Congratulations Kirk !!
- We are compiling a listing of our members who would like to be included on phone list. A list is available at the meeting or email: [jemcdonald@protonmail.com](mailto:jemcdonald@protonmail.com) if you would like to be included. Include a name, email and phone number. By default, no CBS member will be included on the directory unless a request is made.
- Bob would appreciate if anyone who took pictures from his demonstration in January would send some copies: [nottelman@hotmail.com](mailto:nottelman@hotmail.com)

### Spring and Repotting

- For those members who are thinking of repotting their plant material. A review from American Bonsai Association Sacramento is available at: <http://www.abasbonsai.org/pdf/repotting.pdf> (A PDF file is also attached to this email).

John McDonald  
VP Chico Bonsai Society
