Developing Large Trunks for Bonsai - Brent Watson [Evergreen Gardenworks]

Join our Topic Committee to Plan for 2024

Our second Zoom meeting will be held on 17 July at 7:00 – 7:35 pm.

- Last years topic committee was very successful in planning for 2023 and presenting ideas to make our society grow.
- All members from last year will be included on this years list.
- Any new members who would like to be included, a sign up sheet will be available at this months meeting.
- Our meeting as via zoom and only lasts 35 minutes max.

Zoom Meeting Hosted by Peter Tea

Our Society is currently requesting a zoom link for our members who are interested in Zooming this presentation.

Many thanks to *Steve Liner* for bringing this 'Zoommeeting' to our societies attention

A background image showing a group of people at a meeting. In the foreground, a man in a camouflage cap is looking down at something in his hands. Behind him, several other people are standing and talking. The setting appears to be an indoor space with large windows and some potted plants.

Society Registry this Meeting

- For any member who would like to be included on a society 'phone book' registry, a sign up sheet and a photo booth will be available at this meeting.
- The phone book registry is for members who would like to contact fellow members. It will provide a picture and a phone number to make it easier to associate a name with a picture and a phone number.
- This is voluntary for those members who like to operate under the radar.
- Your information is not used or released to outside sources without your permission.
- A downloadable pdf file will be provided with this information on our members only section of the web site.
