ALWAYS FREE ADMISSION

Bonsai is a hobby that can be enjoyed by everyone: the disabled, apartment dwellers, youngsters and seniors.

Ideal for anyone who loves to work with plants and enjoys life-long learning, and those who are looking for an art form that connects them with nature and is calming and satisfying.

The Chico Bonsai Society is committed to having a Spring and a Fall Bonsai show that all members can participate in and display. These shows will illustrate and educate the public about the Art and Beauty of Bonsai.

Society Profile

On January 14, 1976, 11 Bonsai enthusiasts, led by Ruth Musil, Roberta Walters and Clydene Gridley, formed the Chico Bonsai Society. They met in the founding president, Ruth Musil's home.

The first public event was the first Annual Bonsai Spring Show at the CARD center in Chico. Roberta Walters was the resident instructor for Bonsai development.

Since that first show the Chico Bonsai Society has held shows at CARD, the Elks Lodge and the Home and Garden Show at the Silver Dollar Fairgrounds.
